It is unconceivable that you are yet again increasing our utility cost. I am a single mother, on a limited budget, working as hard as I can to keep a roof over my head and now I have to worry about whether I can continue to pay for running water as a necessity to my activity of daily living. Please reconsider your price hike I am not the only citizen that cannot afford such a drastic increase.

Sincerely,

~ ·

Good morning,

I am protesting the proposed rate hike that Palmetto Utilities. We have already gone through a least one increase in recent years. This bill is more than what I pay City of Columbia for water.

Thanks,

D. Hill
